Back to School Plan for Perry Elementary School

Dear Families,

We are pleased to welcome our students back for in-person learning this fall. The following decisions have been made regarding our opening of school for students on September 1, 2021:

It is currently a Maine State requirement that anyone riding the bus will be required to wear a mask. Once students reach the school, masks are not required at this time. However, any staff member or student who wishes to wear a mask can do so. Enclosed you will find a form regarding your preference to whether or not you would like for your child to wear a mask in the building. Please complete the form and return it so we can provide a smooth transition back to school. We are committed to providing a safe learning environment at our school and will continue with daily sanitation of classrooms, as well as continue to hand sanitize throughout the day. Daily screening will continue and temperatures will be taken at the door. Our social distancing practices will continue to be in place. Please continue to self-monitor your child daily. If any COVID 19 symptoms are detected, do not send your child to school.

We will be providing a regular full school day with breakfast starting around 7:35 am. School begins at 8:00 am. Dismissal is at 12:00 pm for K4 students and 2:30 pm for K5-8 students

Perry Elementary will not be offering remote learning options.

Please keep in mind as we are still in some uncertain times, our opening school plan is subject to change.

We are looking forward to seeing all of our students on September 1st! Enjoy the rest of your summer.

Sincerely,

Penny Johnson
Principal
